

A COMMUNITY RESPONDS: YES, WE CAN.

And, oh, how we appreciate it.

We always rely on the support of Harris County residents to help us do what we do. With the outbreak of COVID-19, our special needs multiplied exponentially, practically overnight. And our community enthusiastically came forward to help. Individuals and families, corporations and organizations of all sizes provided generous financial donations and in-kind gifts.

We are sincerely grateful to you all.
